

Configuring iPhone Wireless Connectivity

ALL CAMPUSES

1. From the **Home** screen select **Settings**.

2. Select **Wi-Fi**.

3. If **Wi-Fi** is **OFF**, select **ON**

4. Under **Choose a Network...** select *bevill_access*.

5. Enter your (BB ID) and password. Select **Join**.

6. Select **Accept** if a certificate window pops up asking you to verify a certificate.

7. If you are successfully connected, you will see a check next to *bevill_access*.

8. To verify that you have connectivity, open a browser and select a url.
