Create Your Path and Manufacture Your Future!

The BSCC Career Pathways Academy exposes high school sophomores in Walker, Fayette, and north Tuscaloosa counties to job opportunities in industry settings. Students learn about new career pathways and industry opportunities through career fairs, exploration camps, internships, and industry training.

What Does the BSCC Career Pathways Academy Offer?

...The opportunity to prepare highly qualified and motivated students for progression through a technical training program.

...Access to state-of-the-art industry equipment and standard training aids to gain advanced skills necessary for today's workforce.

...A chance to earn high school and college credit - 3 to 6 credit hours of dual enrollment per term and a short-term certificate in Automated Manufacturing. Students also have the option of adding 9 additional hours to receive a short-term certificate in Industrial Plant Technician.

...Instruction that meets industry standards for advanced technology jobs at local industries.

...Exposure to career exploration, possible internships, and job opportunities upon graduation.

Who is Eligible to Apply?

Currently enrolled high school sophomores in Fayette, Walker and north Tuscaloosa counties who have at least a 3.0 grade point average are eligible to apply.

What is the Time Commitment?

Sophomores accepted to the Career Pathways Academy will attend a Robotics Program in the Summer before their junior year. Students will enroll in 3-6 hours of dual credit beginning in the fall of their junior year and complete 21 hours by the time they graduate high school. In the summer before their senior year, students will attend a Career Exploration Camp with tours of manufacturing plants throughout the state.

What is the Cost?

Career Pathways Academy scholarships are offered annually on a competitive basis and provide all tuition, fees, books and supplies. If you are accepted in the Academy, there is no cost to you! Your only responsibility is transportation to a BSCC Campus.
