

FALL 2009 CONTINUING EDUCATION SCHEDULE

CONTINUING EDUCATION COURSES ARE DESIGNED FOR THOSE SEEKING PROFESSIONAL GROWTH & PERSONAL ENRICHMENT

A variety of special interest courses is offered through the Continuing Education Division. Most classes require a minimum number of participants. Interested persons should register at least two days prior to the starting date of the class to ensure enrollment. If a class does not have sufficient enrollment and is not offered, students will receive a 100 percent refund. If a pre-registered student withdraws from the course prior to the first class meeting, that student will receive a 50 percent refund.
