

2020-2021 Unusual Enrollment History

Your 2020-2021 Free Application for Federal Student Aid (FAFSA) has been flagged for “Unusual Enrollment History Review” by the U.S. Department of Education because you received Federal Student Aid at multiple educational institutions during the review periods 2016-17, 2017-18, 2018-19 and/or 2019-20. This flag requires Bevill State Community College to review your enrollment history and determine whether or not you are enrolling only long enough to receive federal student aid. In the process of reviewing your enrollment history, Bevill State Community College will check the National Student Loan Data System (NSLDS) to obtain a complete history including the name of institutions you have attended in which you used Federal Student Aid.
